## Wizara ya mifugo yaanza kutekeleza agizo la Waziri Mkuu

NA SAMWEL MWANGA, ITELIMA

**W**IZARA ya Mifugo na Uvuri imeanza kutekeleza agizo la Waziri Mkuu, Kassim Majaliwa la kuitaka kurwatambua wafugaji wote walioshinda kesi zao mahakamani za mifugo lakini hadi sasa hawajaweza kurejeshewa mifugo yao.

Hayo yameelezwa na Waziri wa Mifugo, Mashimba Ndaki kwa nyakati tofauti mkoani Simiyu katika kijiji cha Longalambogo wilaya ya Itilima na kijiji cha Mwalilo wilaya ya Meatu wakati akizungumza na wafugaji wa maeneo hayo.

Alisema kuwa wanachokifanya kwa sasa ni kupita katika maeneo yote ambayo wafugaji walikuwa na migogoro na maeneo ya hifadhi za wanyama na mifugo yao kutafishwa lakini wakawa wameshinda kesi mahakamani ila mifugo yao hawajarejeshewa hadi sasa.

Alisema kuwa kitendo cha kuwadhulumu wafugaji mifugo yao wakati wamepewa haki na vyombo vya sheria hakikubaliki hata kidogo na huko ni kuwaonea wafugaji.

Hivyo amewaagiza Wakuu wa wilaya za Itilima na Meatu kuhakikisha wanapeleka orodha ya wafugaji hao pamoja na vielelezo vyao vya kushinda kesi ili aweze kuiwasilisha kwa Waziri Mkuu ambaye naye atapeleka kwa Rais wa Jamhuri ya Muungano wa Tanzania kwa maamuzi.

"Nimesagizwa na Waziri Mkuu nipeleke orodha ya wafugaji wote ambao wameshinda kesi zao mahakamani lakini mifugo yao bado hawajarejeshwa na mamlika mbalimbali za serikali na hii inadhihirisha nia njema ya Rais wetu wa awamu ya sita, Samia Suluhu katika kutenda haki kwa wananchi wake"

"Wakuu wa wilaya za Itilima na Meatu naomba muletee orodha hiyo na ikiwa na vielelezo ili nami niwasilishe kwa wakubwa zangu kwa ajili ya maamuzi hivyo niwaombe wafugaji muwe na subira katika kipindi hiki serikali mafanya ufuatiliaji huo," alisema.

Aidha ameshangazwa na baadhi ya maafisa mifugo katika wilaya kuwageuza wafugaji vitega uchumi vyao kwa kushiriki vitendo vya kuwadhulumu kwa kisingizio kuwa mifugo iliyotakiwa kurejeshwa kwa wafugaji wa wilaya ya Itilima ipatayo 280 imekufa.

"Maafisa mifugo msitigeuze kuwa sehemu ya kuwadhulumu wafugaji msana hao ng'ombe 280 ambao hawajarejeshwa wanadai eti wamekufa tumeomba vyeti vya vifo vya hao mifugo hatujapata hivyo naagiza hao waliohoi taarifa hiyo wachunguzwe na hatua zaidi za kitaaluma dhidi yao zichukuliwe iwapo itabainika walitua taarifa za uongo," alisema.

Awali mbunge wa jimbo la Itilima, Njalu Silanga alionamba serikali kuzirejesha ng'ombe 280 za wafugaji wa kijiji cha Longalambogo baada ya wao kushinda kesi mahakamani.

Alisema yuko tayari kufanya fujo bungeni ili kushinikiza wafugaji hao

# Maswa veterinarians in hot soup

By **DAILY NEWS Reporter**

LIVESTOCK and Fisheries Minister Mashimba Ndaki yesterday ordered the veterinary council to investigate and hold accountable veterinarians responsible for witnessing or writing death certificates for more than 270 cattle seized by Maswa Game Reserve management.

Minister Ndaki gave the order during a one-day working tour to the Itilima and Meatu districts, where he spoke with pastoralists whose animals were seized by the game reserve in 2017.

He claimed that after their cattle were seized, the pastoralists went to court and won and that the reserve was supposed to return the cattle to the

pastoralists, but only 51 cows were returned, and that the remaining 270 died and veterinarians issued certificates but did not witness the carcasses.

“The ministry is now reviewing cases of pastoralists around the country who had their animals confiscated and later won the case, but the cattle and penalty money have not been returned to them.

Veterinarians around the country should know that you are experts and that you are not sitting in office providing death certificates for livestock without observing such fatalities; some of you are operating arbitrarily,” he argued.

Mr Ndaki noted that it was not a minor matter and that he had been instructed by the President to follow up on these

issues to ensure that they were resolved appropriately, as well as to submit the names of pastoralists whose cattle were being held at various game reserves, despite winning court cases.

In the case of the 270 cattle whose whereabouts are unknown, he told the Simiyu Regional Livestock Officer that the ministry wants to know who gave the unidentified livestock’s death certificates because there is no proof that they died.

Minister Ndaki has also directed the Itilima and Meatu District Commissioners to submit a report to the ministry by September 21, 2021, detailing the number of livestock seized and returned to pastoralists, the number of livestock that

have not been returned, as well as the names of pastoralists who claim their livestock after winning a lawsuit alleging that their livestock had entered the Maswa Game Reserve.

Some pastoralists in the Itilima and Meatu Districts, have complained that some government officials were disrespecting court decisions, which are the ultimate tool in administering justice, because decisions have been made for many days but some pastoralists do not know the fate of their livestock.

They also requested that Minister Ndaki consider ways to allow pastoralists to harvest pastures in protected areas rather than burning them so that they can harvest and care for their cattle.
